CETPA Certified Training in above Fields/Free of Cost Seminar @ Your Own College Campus

CETPA can deliver a free of cost technical seminar at your campus for summer training. Even the seminar may be conducted for training program at your college campus. After the seminar, if at least 40 students are interested to join the training, then same program may be conducted at your campus, depending upon the students choice. This training program may be conducted at any time whole of the year at your campus. For the seminar or training at your campus call us at 09219602771, 09212468020 or email us at vikaskalra@cetpainfotech.com, kalra_goc@yahoo.co.in.

Terms and Conditions: *Admission on First Come First Serve Basis. *Limited Seats. *Registration Fee is Non-refundable and Non-transferable. *On-line registration is a temporary reservation of a seat for fifteen days that would be confirmed only if registration formalities are received at our head office within the stipulated period. On-line registration is a specific facility, shall be closed if seats are filled. *Technology once selected can be changed only by depositing 50% of the registration fee again. *Charges mentioned, are only for students, for professionals, charges are three times more *Certificates will not be issued before the completion of the training. *Classes will be taken for 5 working days in a week. *Batch dates selected by the participants may be changed in a contingency by calling at 01332-264918, 15 days prior to the commencement of the training program. *In case of group registration (even if members of the group are enrolling in different technologies or/and on different dates), a single draft of the total amount can be sent. *A registered candidate shall be allowed to participate in the training program only if he/she submits complete balance fee and other required documents on the day of reporting. *For Training at any of our branch, registration formalities by post have to sent to our head office Roorkee, else the formalities may be deposited by hand at any of our branch *Food and Lodging will be provided in the city on Paying Guest Basis, which will be separate for boys and girls. Registration fee for food & lodging is non refundable in any case. *In case of dissatisfaction in the training, a participant can ask for training fee refund, only between 20%-25% completion of the training program, if he/she has 100% attendance during that period. * In Embedded System, participants have to purchase required hardware for their projects (individually or in groups). Participants will carry these projects with them after completion of training.

Registration Formalities: For Registration follow any of the process.

1. Firstly make a D.D. of Rs. 1,104/- (Rs. 1,000/- + 10.3%. If food & lodging required) else Rs. 552/- (Rs. 500/- + 10.3% If fooding & lodging not required) in favor of CETPA Infotech Pvt. Ltd., payable at Roorkee. Then make use of any of the following methods
 - a. Fill the form on our website for summer training. After filling the form you will get option to generate your registration slip. Take the printout of this slip. If due to communication failure you don't take the print out of your registration slip, then some details will be sent to your email id to regenerate the registration slip. Take the printout of that registration slip.
 - b. If you are not in a position to fill the online form, then you can download the summer training registration form (PDF format) from our website.
 - c. You can email us about the request of registration form at our email id query@cetpainfotech.com, cetpainfotech@gmail.com and we will email back the registration form.
 - d. You can call us at 01332-264918, 0120-6454074 and provide us your college or STD PCO fax number, then we can email you or can fax up you the registration form.

Now send the following details at our head office Roorkee. 1st) D. D. 2nd) Registration Slip or filled form.

Please mention the phone number 01332-264918, 09219602769 on the envelope with the address for the postage convenience, before mailing the details to Roorkee. The details may be deposited by hand at any of our branch irrespective of the training location opted by the candidate. After receiving the registration details at our office, you will get a confirmation within a week by email. Take the printout of this Confirmation slip. Now your seat is allotted to you. After online registration, your seat will be temporarily registered for you for maximum 15 days. If we don't get registration formalities within 15 days, then your seat may be allotted to some one else, if required.

2. You can directly come to any of our branch to fill the form and can make the payment by cash or D.D. Here directly you will get confirmation slip.
3. Now at CETPA, online payment facility is also available. Fill the online summer training form; make the online payment through your credit card, and you will get confirmation slip.

Reporting: You have to report a day earlier of Starting the Batch at the preferred training location, you have opted, with following details. 1. Balance Payment 2. Five Passport Size Photographs. 3. Training Letter or Xerox Copy of College I-Card 4. Confirmation Slip

Note: Module 1 in the course is for 4 Weeks Training and Module 1+ Module 2 is for 6 Weeks Training.

CETPA Profile: CETPA INFOTECH PVT. LTD. is an ISO 9001:2000 Certified, Multinational Company having its head office at Roorkee and branches at Greater Noida, Lucknow, Germany, Ukraine and others. CETPA is having three divisions named as CETPA Development, CETPA Education and CETPA Consultancy. Under the head of CETPA Development we are indulge in Software Development, Web Development, and Embedded Products Development. CETPA Education deals in Engineers Training Programs in latest technologies. CETPA Consultancy is always dedicated to provide high profile jobs to CETPA Certified Students. CETPA has already conducted On Campus Training Programs at more than 100 Engineering Colleges, most notable among these are Sri Balaji College Jaipur, Ajmer Institute Ajmer, Geetanjali Institute Udaipur, Birla Institute Bhimtal, MIT Muzaffarpur, KNIT Sultanpur, Madan Mohan Malviya College Gorakhpur, Ideal College Ghaziabad, MIET Meerut, RBMI Bareilly, MIT Moradabad, Babu Banarsi Das College Lucknow, IFTM Moradabad, Hindustan College of Science & Technology Mathura, G. B. Pant Engineering College Pauri Garhwal, DIT Dehradun, Kumanyon Engineering College Dwarahat Almora, Shri Sant Gadge Baba College Bhusawal, Jind Institute Jind, Lovely Professional University Jalandhar etc.

Placement: CETPA consultancy regularly invites reputed companies to our campus or our collaborative college campus for placement of CETPA Certified Students. In the year 2009, the biggest recruiter for CETPA certified students was, the world's biggest gaming company named EA Games, EA sports. CETPA invited this company on 4th Dec 09 for the placement of CETPA Certified students in their development division. In this drive all CETPA Certified 2008, 2009, 2010 Batch Pass out candidates of any branch appeared for the placement. Some of our other big recruiters are Best of Breed Software Solutions Bangalore (A company global partner to Infosys and India Partner to HP & Wipro), Best Web Online Pvt. Ltd. Delhi, Nisscom Gurgaon, Netsity Software Solutions India Pvt. Ltd. Delhi etc.

Live Projects: The participants who are interested to work on live projects can work on the specialized live projects. These live projects will be offered by CETPA Infotech Pvt. Ltd. and participants have to complete these projects in given time frame. This time frame may be 6 months or one year. If candidates complete these projects within time frame, then they will be awarded by CETPA and will be given experience letter for 6 months or one year depending on the time frame. Also incentives may be given to the candidates, depending upon the performance of the candidates while handling the live projects. The groups for working on live projects will be decided by students.

Testimonials: "We had conducted Campus Recruitment Preparation Program with CETPA at our campus. From the initial contacts to the conclusion of the course, we have found CETPA to be very professional and helpful in all aspects. We look forward to conduct other training programs in coming years."

Mr.Akhilesh Shukla-Head Continuing Education Department MIT, Moradabad

"The Training provided by CETPA is of a very high caliber. The staffs are highly skilled and flexible, making training a worth. We will continue to take CETPA Services in the future and would have no hesitation in recommending them to other Institutions."

Mr.Praveen Porwal-Head Training & Placement PSIT Kanpur

"In CETPA I learnt the magic of Coding .The constant and personal interaction with the trainer is the best part of CETPA. I thank CETPA for making my most cherished dream come true."

Mr.Anuj Kapoor- Infosys

"I joined CETPA because of their proven expertise in training budding engineers and professionals. Their ability to understand our problems and giving us the optimal solution is something, we have grown to expect from CETPA"

Mr. Deepak Bajaj-RBS Gurgaon

***6-Months Training on live projects, based on .Net/J2EE Technology for MCA & B.Tech.(CS/IT) students.**

***6-Months training on VLSI cum Embedded System for B. Tech. (EC/ET/EN/EI/EE) students.**

For Details about 6 Months Training, log on to <http://www.cetpainfotech.com>

(Training may be paid, free or stipend based depending upon interview).
